School24 – Online canteen system
There are means no more paper bags with money and orders. You order your child’s lunch online and we print the labels and attach them to bags. You will need to register to be able to place your orders.

What is the cost?
The cost to you is charged when you top up your account using a credit card or paypal. The charge is 30c + 1.5% of the amount. E.g. if you top up your account with $20 you will be charged $20.60. It is cheaper to top up less frequently with larger amounts.

You can cancel your order anytime up until cut-off (8am Friday).

Some items on the menu cannot be added to your order – this is because they can only be purchased over the counter at recess or lunch and are displayed on the menu for information purposes only. Children are still encouraged to bring money to purchase recess and over the counter items.
