## FROM THE PRINCIPAL

Dear Parents and Friends,

We have achieved so much together this term. We have had our Open Day, celebrated our Mums and our Feast Day, participated in the Rock Mass, Athletics Carnival, Bathurst Camp and the Sacrament of Confirmation. Reports and Parent Teacher Interviews were a major assessment focus this term. Our children have embraced the many learning opportunities presented to them and have now set goals for Semester 2.

It is now time for a well deserved rest and some downtime, finding a healthy balance with the use of digital devices and enjoying the great outdoors. Children's social media usage is again in the spotlight and most adults would agree that families and schools share an equal responsibility in helping a child to develop the skills and habits of digital wellness to grow up in a digital world.

## FROM THE PRINCIPAL

Whatever the solutions regarding how digital media and technologies should be used in schools and at home, it is important to involve children's perspectives. It is true that young children are not able to self-regulate well enough to put necessary limits to using digital media and technologies. It is our role as parents and teachers to do so.

Nevertheless, constructive conversations with children about better digital wellness is a good way to utilise the benefits of digital devices while at the same time understanding the risks related to having too much of them. It is evident now more than ever that digital media and technologies are powerful tools that help us communicate, work and learn more effectively. However these and other benefits brought by digital devices in our lives often come with potential risks and harmful side effects if not handled with care.

## FROM THE PRINCIPAL

Our Catholic Schools Broken Bay Strategic Working Party has created the [North Shore Review Engagement Survey - Enhancing Catholic Education on the North Shore](#). This survey includes a series of questions designed to gather insights that will help develop recommendations to enhance opportunities for our students, both present and future.

Your participation is invaluable, and your insights will shape the future of Catholic education in our community. We invite you to complete the survey and express your interest in further involvement in the community consultation, which will begin in Term 3 in each of the individual schools.

**Please note that the survey will close on 8 July 2024.**

Thankyou to all families who have engaged with and supported the school during Term 2. We look forward to celebrating Grandparent's Day and our Trivia Night in the first week back next term. If you haven't purchased your tickets yet for the Trivia Night I encourage you to do so. All funds raised will be used to support our soccer and netball clubs along with funds for P&F initiatives and our band. The P&F have been working alongside our clubs to ensure this will be a night to remember and the teachers will be brushing up on their trivia skills in the lead up to the event. Thank you to our wonderful staff for a very successful term and for all that you give to our community.

## GRANDPARENT'S DAY- Friday 26th July 2024

Please RSVP [here](#) for catering purposes by July 19th if you are attending Grandparent's Day on Friday 26th of July, Week 1 of next term.

We celebrate this week as July 26th is the Feast of Saints Anne and Joachim Jesus' Grandparents (Mary's parents). We know that each grandparent's relationship with every grandchild is different and irreplaceable. On our special Grandparent's Day we remember and celebrate our grandparents and/or elderly special friends.

We will begin the day with Mass, followed by Morning Tea in the Parish Hall. Our Annual Book Fair will be in the library and after recess we would like to invite the Grandparents into the classrooms.

Grandparent's Day Photo Presentation- If you are a Kindy parent or new family to the school, please email ONE photo of your children with their Grandparents if you would like to be included in a photo presentation during Mass. Please note if you have sent me one previously, I still have them on file. However, you can change the photo if you wish or if for any reason you would prefer not to be in the presentation, please let me know. Email the photo to [penny.delmage@dbb.catholic.edu.au](mailto:penny.delmage@dbb.catholic.edu.au)

## PYJAMA DAY VINNIES WINTER APPEAL- MONDAY AUGUST 12TH

The St Vincent de Paul Society has launched its 2024 Vinnies Winter Appeal and Corpus Christi will again be fundraising towards year's appeal by having a Pyjama Day with a gold coin Donation to participate.

The focus this year is on the issue of the working homeless. The lack of affordable housing and increased demand for rental properties in Australia means that even those working can't afford a roof over their heads. As a result, more and more Australians are being forced into homelessness – "the working homeless".

Classes will be involved in activities that highlight homelessness and we hope to have a speaker from Vinnies to talk to us at assembly. We will provide details next term of our fundraising page.

## GRANDPARENTS DAY BOOK FAIR

Grandparents Day will be held on Friday 26th July. As per our Corpus tradition, we will be holding our Book Fair on that day as well. A display will be available in the Library during Week 1 (prior to the Book Fair) where children will be able to peruse the available books and create a wish list. Grandparents (or parents) are invited to purchase a book for their grandchild/child that will be donated to our school Library. A 'donated by' plate will be included in the donated book to acknowledge the kind contributions of our Corpus families.

Premiers Reading Challenge 2024 – Great reading Corpus! 163 reading records have now been started! We will continue to revisit the procedures and resources of the Challenge in Library over this term and term 3. Students can add any books they have read since September last year. Scroll through the PRC book lists [here](#).

Students in **K-2** can also log books that have **been read to them** in the Library and their classes.

We now have **63** students who have already completed the Challenge! Congratulations to:

Kindy Clara, Maddie, Callie, Samuel, Grace, Rose, Michaela, Lilly, Elle, Alex, Thomas  
Year 1 Zara, Max, Sabian, Amelia, Lucia, Vivienne, Alexina, Madelyn, Sarah, Harper, Ray, Lilly, George, Lucas, Maddison P  
Year 2 Kiki, James, Tobias, Oliver, William, Daniel, Dylan, Saskia, Hilton, Eliana, Joshua, Edenhope  
Year 3 Alicia, Monica, Cassie, Max, Tommy, Leo, Charlotte  
Year 4 Ethan O, Alice, Cyrus, Ethan W  
Year 5 Flynn, Clementina, Hana, Alexia, Katelyn, Arhan, Jayden, Emily, Amaya, Eloise  
Year 6 Eugene, Fleur, Chloe, Jonathan

Well done to all of these students who are really celebrating their love of reading.

It is so easy to participate in the Challenge. Log on with your child to see how many books they have already read since August last year and add these to their log. Take note of some of the books they would still like to read and have them borrow these over coming weeks. We have 100s of books on the Premiers Reading Challenge in our very own Corpus Christi Library. We are presenting a book display weekly now with new picture books as well as PRC picture books for children to easily access. Please encourage your child to also ask Mrs Williams if they need help finding PRC books. The Challenge runs until 23rd August 2024. We still have 102 students who have started but not yet completed the challenge – the holidays would be a great time to complete the Challenge! It would be wonderful to see all of these students receive certificates from our Premier later in the year. Keep reading Corpus!

Please let me know if you are having trouble with student login details or require assistance with entering the books online. Please do not hesitate to email Mrs Williams [here](#).

## ASPIRE

Over the last 6 weeks, a group of children selected from right across the school, got to experience the wonders of Horticulture. Mr Ken Bevan (Dad of Flynn in Year 5) has been volunteering his time every week to support the Garden Club on Tuesday lunchtimes and also teach children about the structure of plants, propagation, root systems, how plants communicate and survive and which plants grow well together. 21 children were given the opportunity to learn the theory and get hands on in the garden. They planted seeds, learned to propagate, discovered the wonders of insects under a microscope and took part in some fantastic discussions around living things. Today the children planted a succulent to take home and they also helped to plant a Bottlebrush tree on the sports field.

We are grateful to Mr Bevan for his generosity and all the knowledge he has shared with the children. It has been a huge success.
