## FROM THE PRINCIPAL

Dear Parents and Friends,

In the last few weeks many of our students have had the opportunity to represent Corpus Christi out in the wider community. We have had students representing the school in debating, swimming, the Sutton Cup, Brigidine Leadership Day and at BUPA aged care facility.

School pride can be displayed in many ways, but it usually reflects a feeling of strong connection to the school or being proud to represent the school and the values it stands for. What is clear is that schools with a strong sense of pride are obvious as soon as you walk in the school gates.

School pride also gives students a sense of ownership which has flow on effects leading to many positive behaviours including increased desire to pursue and accept opportunities available at school and a desire to make the most of their schooling experience.

School pride is also linked with general happiness. Students with strong school pride are substantially more likely to say they felt happy, to promote positivity, to show empathy and compassion and to show responsibility. This goes hand in hand with building strong long-lasting friendships, developing good self-esteem and growing in confidence.

School spirit builds when students, parents, teachers and administrators work together to build a sense of community, to promote the positives and to drive a sense of pride in the school. As a community, there are many things we can do to encourage and promote Corpus Christi pride.

### URSTRONG

Corpus Christi is a URSTRONG school. URSTRONG's whole-school friendship strategy has improved the social climate in schools around the world, connecting over a million kids, parents, and teachers with a common language of friendship. We are proud to be a URSTRONG School and are committed to empowering your children with friendship skills. ## BOOK FAIR FOR PROJECT COMPASSION

Thank you to Cassie Frankish in Year 3 for coming up with the great idea to hold a Book Fair this Friday to raise money for our Project Compassion Campaign during Lent. Bring in your pre-loved books that are in good condition and a gold coin to buy a book for yourself. Thank you Cassie!

## CANTEEN RICE DAY

As part of our Project Compassion Campaign, we will be having 'Rice Day' on Wednesday 20th March to help our fundraising during Lent. All children in K-6 will be able to purchase a bowl of rice for a donation of \$3. Students will be asked to BYO bowl and spoon. Details on how to order through QQR will follow.

Although it is not compulsory for students to take part, we are hoping many will participate. Rice is a staple part of the diet of many of our neighbours in developing countries and is often all they may have to eat in a whole day. Teachers will be discussing this concept in class and making links to learning in Religious Education through the Project Compassion website. All money raised will be donated to Caritas Australia.

## FAMILY ROCK MASS TERM 1

We look forward to seeing many of our families at our first whole school Rock Mass for the year. It will be on Sunday 24th March (Palm Sunday) at 5pm in the church. It will be led by Year 6 and Kindy who will participate in a special reading of the Gospel.

We would love to see as many Kindy and Year 6 children attending as possible. Please RSVP

([https://forms.office.com/pages/responsepage.aspx?id=6TdW9-zmC0maab\\_Nfg2vrxy51ANY7FRDjMEzewa6g6xURTZCR0NXRjZBTE5Wtk1WNVVQVEYwNDJFQI4u](https://forms.office.com/pages/responsepage.aspx?id=6TdW9-zmC0maab_Nfg2vrxy51ANY7FRDjMEzewa6g6xURTZCR0NXRjZBTE5Wtk1WNVVQVEYwNDJFQI4u))

by Friday 8th March if you would like your child to be considered for a specific part in the Mass as teachers will need to allocate this well in advance. This way teachers will have time to prepare the children for this special Mass.

## SACRAMENT OF RECONCILIATION

Please keep the children in Year 4 and above in your prayers as they prepare in the coming weeks for their First Reconciliation.

Reconciliation will be held on Saturday 23rd March at 9.30am and 3.30pm.

## NSW Reading Challenge

now OPEN

CORPUS CHRISTI IS EXCITED TO BE PARTICIPATING!

### What is the NSW Premier's Reading Challenge?

The PRC is a statewide Challenge that encourages students to develop a love of reading for leisure and pleasure in students and enables them to experience quality literature. It is not a competition, but a challenge to encourage each student to read, to read more, and to read more widely.

All students who complete the challenge and have their reading record validated by the school's PRC coordinator will receive a certificate signed by the Premier of NSW.

### How many books do students need to read?

Students in Kindergarten to Year 2 are challenged to read or experience 30 books. 20 of these books must be from the relevant Challenge booklists, and up to 10 books can be personal choice books. Books can be read with a parent, carer, teacher or another student.

Students in Year 3 to Year 10 are challenged to read 20 books independently. At least 10 of these books must be from the relevant Challenge booklists, and up to 10 books can be personal choice books.

If a book is from an approved PRC series, students can enter up to 5 books as Challenge books, and can read up to 10 other books from the same series as Personal Choice books.

More information on the rules of the Challenge can be found on the PRC website.

Books must be added to a student's online reading record by Friday 23 August 2024 in order for their reading record to be validated and receive a certificate.

### How do students log their reading?

Students can access the PRC's Student Experience site. Students will have received a sticker with their login details for the Premier's Reading Challenge from their class teachers. These should be in students' Home Learning this week or next week. Please note the usernames/passwords are the same as previous years and they are CASE sensitive. A video guide explaining how to use the Student Experience site can be found here.

Students may also record their reading on the Personal Reading Log and submit it to the PRC Coordinator by 23 August 2024, who will complete the reading log on the students' behalf.

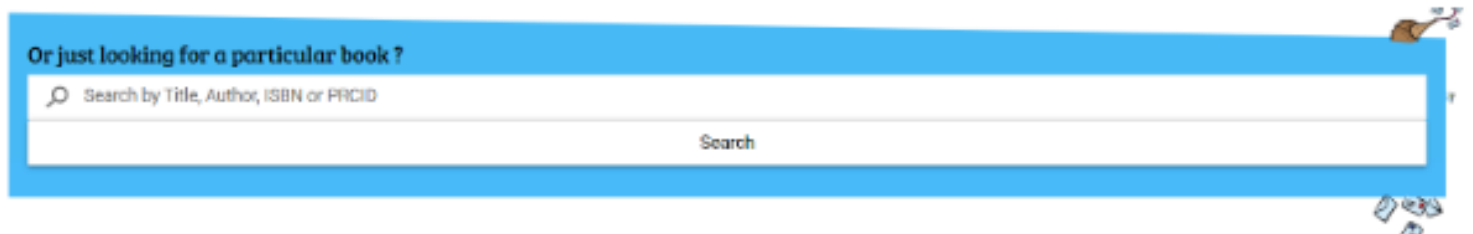

# LIBRARY NEWS

## How can students find books on the NSW PRC challenge lists?

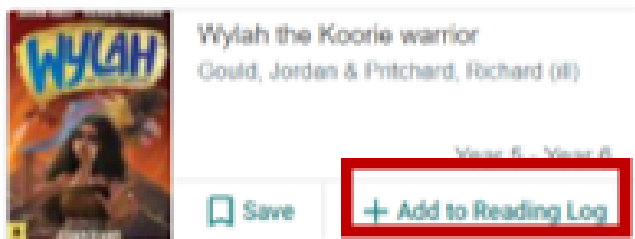

Students can find many books listed on the PRC challenge list in our Library. Many of these books are marked with stickers on the front cover indicating which level of the PRC book lists they belong too. For K-2 students, there are tubs at the front of the Library that contain K-2 PRC books for easy access. Check with your local public library too as most libraries promote the NSW PRC.

## A quick guide for logging books:

1. Log into the [Student experience site](#) using your provided student username and password.
2. Use the blue search bar to search for books you have read.

- 2a. If the title appears, click "Add to Reading Log" to add it as a PRC book.

- 2b. If the title does not appear, you will need to enter it as a personal choice book. To enter a personal choice book:

[Home](#) [Rules](#) [Log out](#)

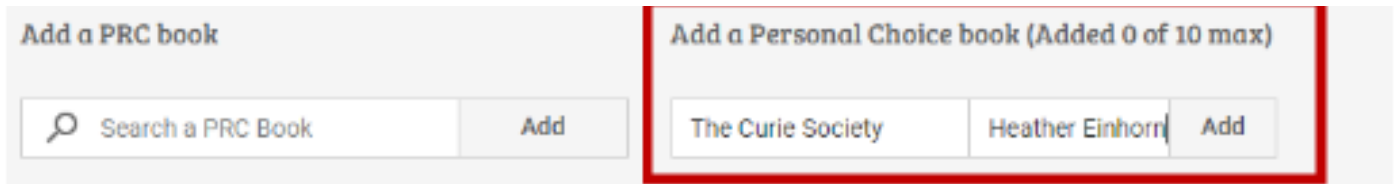

To enter a personal choice book:

1. Click on the icon in the top right hand corner:
2. Click on "My reading log"

# LIBRARY NEWS

3. Fill in the book details under the "Add a Personal Choice book" field and click "add"

If you have any issues with logging books, please speak to Mrs Archer or Mrs Williams.

## New Booklist Update

Visit the [booklists page](#) to check out the new titles added to the PRC booklists this year!

See here -<https://online.det.nsw.edu.au/prc/rules.html> for more information about rules for the challenge.

If any parent requires assistance in entering the books online please do not hesitate to see me in the library after school or email Mrs Williams [lizwilliams@dbb.catholic.edu.au](mailto:lizwilliams@dbb.catholic.edu.au). We are more than happy to demonstrate how the website works. We will be discussing the challenge in Library classes and students in Years 3-6 will be shown how to enter their books online.

As in previous years there will be a competition to see which class has the most students completing the challenge. Please encourage and assist your children in this wonderful initiative to promote the joy of reading.

# WELLBEING WEEK

## TERM 1 WELLBEING WEEK

# INCLUSION

**"When everyone is included, everyone wins"**  
**Jesse Jackson**

This term our focus for Wellbeing Week is **Inclusion**.  
During Week 7 we will be learning how important it is to include others at school and in the wider community.

Inclusion is when the members of an environment feel that they are valued, respected, and included regardless of their background or identity. They have the same opportunities as others, and they are not overlooked or excluded.

Some of the activities we will be completing are:

### No homework:

Please use this time to engage in some wellbeing activities and catch up on rest and relaxation!

### Storytelling:

Students will share a story with their class to help us to engage in and seek out opportunities to include others at school and in the wider community.

### DEAR time:

Everyone will Drop Everything and Read when music plays over the loud speaker - teachers included! No exceptions!

### Mindfulness:

Students will complete mindfulness activities including yoga, artworks and meditation in their classes.

### Harmony Day:

Harmony Day takes place in Australia every March 21. It is a day to celebrate and include all the different cultures that are a part of Australia. Students will be participating by reading poems and stories, playing games and listening to music which reflect the different cultural diversities in our country. Children will draw, paint and create art which reflects their understanding of inclusion and diversity.

**We hope you have a safe and happy Wellbeing Week!**

It's sure to be a fantastic day and we look forward to seeing you there! #ride2school #ride2schoolday

## National Ride2School Day 2024

**When:** Friday 22 March 2024  
**Where:** Schools around Australia

### Event Website

<https://www.bicyclenetwork.com.au/rides-and-events/ride2school/ride2school-day/>

### Main message

Join more than 350,000 students from almost 900 schools around Australia who will be registered to participate in this year's National Ride2School Day

### Key messages

*Why Ride2School?*

- **Bike riding is the easiest way to get healthy:** It is recommended that children get 60 minutes of physical activity every day to maintain their health, and riding a bike to school is an easy and fun way to make sure they are hitting this target. It's also a great way for parents to spend quality time with their children.
- **It improves physical activity rates:** In the 1970's, 80% of all school children rode or walked to school but now more than two-thirds go by car. Thanks to Ride2School that trend is reversing - schools that participate in the Ride2School Program report an average active travel rate of 54%.
- **It helps build confidence:** Riding, walking, skating or scooting to school will make your students feel more self-sufficient, build resilience and helps them to develop an awareness of road safety and the environment around them.
- **Students perform better in class:** Being active on the school journey has a much greater impact on student concentration than having breakfast before school. A Danish study has shown that children who walk or ride to school display improved concentration for 4 hours longer than those who are driven.
